

“YOUTH BUILD”

CAPACITATES THE YOUTH OF KGOBAGODIMO VILLAGE.

Ready to Build: Youth Build Programme participants have acquired building and safety skills.

Just like a house being built from the foundation phase to the wall plate brick by brick, the Limpopo Department of Cooperative Governance, Human Settlements and Traditional Affairs (CoGHSTA) in partnership with the National Home Builders Registration Council (NHBC) and DN Dlodlu Construction capacitated youth at Kgobagodimo, Lephalale municipality in theoretical and practical construction skills development during the Youth Month. 100 young males and females were trained and benefitted on building and safety skills by NHBC from 12th -22nd June 2023.

CoGHSTA MEC, Mr. Basikopo Makamu spent

the day in Kgobagodimo Village observing the 100 trainees building low-cost houses and awarded them with certificates of attendance at the end of the day. “I’m more than encouraged by the fact that some of the beneficiaries’ who participated in this programme not only benefited houses but building skills from the Youth Build Programme,” said the MEC.
