## THE MABUNDA DYNASTY CHEERED AS HOSI GIVEN BUNGENI WAS INAUGURATED

Sounds of ululation and traditional drums filled Bungeni stadium as the community came to witness the inauguration of Hosi Given Bungeni on the 16<sup>th</sup> of August 2018. Addressing overjoyed residents on behalf of the Premier, CoGHSTA MEC, Jerry Ndou expressed how impressed he was with the Royal Family and Traditional Council for being prompt in identifying the newly inaugurated Hosi Bungeni as their Traditional Leader without disputes. MEC Ndou further acknowledged the challenges that residents and the Traditional Council of Bungeni are currently facing. "We are aware of other challenges that are continuously receiving attention of our government such as the bad state of a 5 km gravel road that connects Chabane and Bungeni Villages, needs for Personnel in the Traditional Council office, Furniture, and Security Guards," he said.

He added that as it is his department's line of duty, he is aware that Hosi Given Bungeni has not been allocated a Vehicle as yet and there is also a need to upgrade the Bungeni Health Centre and the Stadium. "As a department we have noted that, all issues that have been raised will be attended to as soon as financial resources are available," he assured residents. In response to the address made by the MEC, Hosi Given Bungeni said he was grateful for the efforts made by the department to support the ceremony as it was handled in dignified manner. He further indicated that as the Traditional Leader of Bungeni, his main aim will be to serve his people by making follow ups to the promises made by MEC Ndou and make more major improvements to his community.
