

CoGHSTA Launches the Disaster Management Campaign during the Easter weekend

04 April 2012 The Provincial Disaster Management Committee led by MEC for the department of CoGHSTA, Mr. Nkomotana Clifford Motsepe, will this Easter Weekend, (from the 05th to the 09th April 2012; launch the Disaster Management Campaign. The launch aims to communicate and raise awareness to the multitude of visitors and citizens of Limpopo on disaster prevention and mitigation. Disasters-natural and man-made-threaten every society and business in Limpopo and can lead to reduced productivity, logistics problems, and unexpected business interruptions. That is why everybusiness needs an immediate disaster response and recovery plan.

Preparedness

All response teams are combat ready for any disaster eventuality, be it at a local or district municipality.

Various information booths for the campaign

- Capricorn Toll Plaza - N1 North
- Kranskop - N1 North
- Paledi Shopping Complex - R71 Road
- Henertsburg - R71 before Magoebaskloof
