Ulation and celebratory songs filled the Ga-Seleka Stadium as the 10 April 2026 marked the inauguration of Kgosi Gaborone Brains Seleka of Seleka Traditional Council. The colourful ceremony marked a significant moment in the history of the Seleka people and symbolised continuity, unity, and renewed leadership. Dressed in traditional regalia, cultural performers showcased the rich heritage of the Seleka community through dance and praise poetry,

setting a dignified and celebratory tone for the day.

Presiding over the auspicious ceremony, Limpopo Cooperative Governance, Human Settlements and Traditional Affairs (CoGHSTA) MEC, Mr Basikopo Makamu highlighted the importance of cooperation between traditional leadership and government in developing rural communities.

“Just like his late father, Kgosi Phetogo David III Seleka, Kgosi Gaborone Brains Seleka has

contributed to his community by establishing a community library, skills development center, and the Seleka Development Master Plan through his cooperation with government and private stakeholders,” said MEC Makamu. MEC Makamu concluded by saying that the establishment of the development projects under Kgosi Gaborone Brains Seleka gives him certainty that all 27 villages will be well taken care of under his reign.
