The MEC for Limpopo Department of CoGHSTA, Mr Basikopo Makamu handed over a fully furnished house to the family of Gladys Tsakani Makhubele in Xigalo on Friday, 13 June 2025.

The mother of five had been living in a dilapidated mud house from 2003 to date and thanks to the combined efforts of the Ward Councillor, Ward Committee members and the unwavering resilience of the family, this act of service delivery by CoGHSTA and contractor Nicole Construction has brought hope back to the Makhubele family.
