## NGOVE INITIATION BOYS SCHOOL HAS 100% GRADUATES (2007)

The dawn of the 6<sup>th</sup> July 2024 was full of ululations and praises when the 2007 initiation school graduates arrived at the Ngove Royal Palace 6h00 in the morning. They were both received by the MEC for CoGHSTA, Mr Basikopo Makamu and Hosi Pheni Ngove. "As government, we believe and convinced that this practice has its roots since the dark ages. This practice has been inherited by most nations including South Africa and is regarded as transcendental male phenomenon in defense of our culture

and heritage". said MEC Makamu.

I'm so delighted today, when I see my boys being heathy and gloomy. We are proud to have this successful story made and left a good history in all communities that I lead. May I sincerely thank all the parents and guardians who made this collective effort a success" said Hosi Pheni Ngove.
