## COGHSTA MANAGEMENT REVIEW THE DEPT'S FIRST QUARTER PERFORMANCE.

Members of the Senior Management Service (SMS) at the Department of Co-operative Governance, Human Settlements and Traditional Affairs (CoGHSTA) attended the First Quarter Performance Review Session on Tuesday, 06 August 2024. The meeting that took place at Protea Hotel, Landmark in Polokwane was in line with the Public Finance Management Act of 1999 (PFMA) and its amendments which stipulates that the Accounting Officer should on regular basis produce monitoring reports for submission to the MEC and the Provincial Treasury.

Branch heads of respective programmes within the Department presented on performance of the indicators that were targeted in the quarter under review as per the Annual Performance Plan.

The Session was also attended by representatives from Organized Labour within the Department. Speaking during the Session, the MEC for the Department, Mr Basikopo Makamu said: "We must continue to work together, support one another and to hold each other accountable. We must remain steadfast in our commitment to serving the people of Limpopo with integrity, dedication and excellence. Let us approach the remainder of the financial year with renewed energy and a shared sense of purpose. The Session affords us an opportunity to overhaul the Department's performance as a whole and check whether the Department is moving towards the right direction or not. CoGHSTA can only move forward if all the relevant stakeholders are on board". The MEC concluded by congratulating HOD of the Department, Dr Modjadji

Malahlela for having managed to wield Team CoGHSTA into a formidable and coherent force that has the potential to take the Department to even greater heights.

CoGHSTA HOD, Dr Modjadji Malahlela thanked everyone for attending the meeting and said it is very important to meet from time to time and discuss with all the relevant stakeholders and assess how the Department can be taken to the next level. "Our mission must be more than a statement with no bearing in the realities of our Municipalities, Traditional Leaders and the citizens of Limpopo. Our mission statement must find resonance in the plans coming out of this Session, but most importantly in our day-to-day tasks".
