MEC OFFICIALLY HANDS OVER NEW BAKONE TRADITIONAL COUNCIL OFFICES

30 October 2026 | Makobe Village

The MEC for Cooperative Governance, Human Settlements and Traditional Affairs (CoGHSTA), Mr Pule Shayi, officially handed over the newly constructed Bakone Traditional Council Offices at Makobe Village on 30 October 2026.

The new facility marks an important milestone in strengthening traditional leadership and improving service delivery. It will provide the council with improved facilities to effectively serve the community, enhance its administrative capacity and support local development initiatives.

The handover reflects the department's continued commitment to supporting traditional institutions and ensuring that communities have access to improved services and facilities.

Building stronger traditional institutions. Improving service delivery. Developing communities.
