COGHSTA STAFF COMMEMORATES COLLEAGUES WHO PERISHED DUE TO COVID-19 PANDEMIC

Soothing hymns echoed the Limpopo Department of Cooperative Governance, Human Settlements and Traditional Affairs' Hensa Towers Foyer, as staff members gathered in remembrance of colleagues who passed on during the Covid-19

Pandemic.

In a sombre voice, MEC Makamu shared his memories of some of the late colleagues he knew.

"It is unfortunate, that this dreadful virus took lives of our beloved colleagues who had skills,

energy and determination to move this department forward. As we heartfully remember them, may their Souls Rest in Peace" he consoled.
