MEC SHAYI JOINS MINISTERS ON OVERSIGHT VISIT TO MOKOLO CROCODILE WATER AUGMENTATION PROJECT

20 October 2026 | Waterberg District, Limpopo

The MEC for Cooperative Governance, Human Settlements and Traditional Affairs (CoGHSTA) in Limpopo, **Mr Pule Shayi**, today joined the Minister of Water and Sanitation, **Ms Pemmy Majodina**, and Deputy Minister **Mr David Mahlobo** on an oversight visit to the Mokolo Crocodile Water Augmentation Project in the Waterberg District.

The high-level visit forms part of government's continued efforts to monitor and accelerate strategic water infrastructure projects that are critical to the province's long-term development and service delivery objectives.

> *"We are encouraged by the progress made on this critical infrastructure project, which will strengthen long-term water security and support economic growth, industrial development, and job creation in the region."*
>
> **— MEC Pule Shayi**

The Mokolo Crocodile Water Augmentation Project is a strategic intervention aimed at securing reliable water supply for communities, industry and economic activities in the Waterberg region. Once fully operational, the project is expected to significantly improve water availability, support industrialisation efforts, and create employment opportunities for local communities.

MEC Shayi reaffirmed the Limpopo Provincial Government's commitment to working closely with national departments and municipalities to unlock infrastructure that drives inclusive growth and improves the quality of life for residents across the province.
