NEW CHAPTER FOR TRADITIONAL LEADERSHIP AS LIMPOPO HOUSE IS OFFICIALLY OPENED

29 May 2026 | Mapela Village, Mokopane

Limpopo Premier **Dr Phophi Ramathuba** officially opened the Limpopo House of Traditional and Khoisan Leaders on Friday, 29 May 2026.

The opening, held at Mapela Village outside Mokopane, marked a significant step in strengthening collaboration between government and traditional leadership, while advancing unity, cultural preservation, and rural development.

> *"This is a reaffirmation of our commitment to working together to improve the lives of our people."*
>
> **— Premier Dr Phophi Ramathuba**

The establishment and formal opening of the House of Traditional and Khoisan Leaders represents a renewed commitment by the Limpopo Provincial Government to recognise the vital role of traditional leaders in governance, community development, and the preservation of cultural heritage.

Premier Ramathuba emphasised that closer cooperation between the provincial government and traditional leadership structures is essential for accelerating service delivery, promoting social cohesion, and ensuring that rural communities are not left behind in the province's development agenda.

The occasion was attended by traditional leaders, Members of the Executive Council, senior government officials, and community members, underscoring the importance of inclusive partnership in building a province that works for all.
