

LIMPOPO
PROVINCIAL GOVERNMENT
REPUBLIC OF SOUTH AFRICA

DEPARTMENT OF
**CO-OPERATIVE GOVERNANCE,
HUMAN SETTLEMENTS & TRADITIONAL AFFAIRS**

Limpopo is ready for 2017 initiation schools season

The Limpopo initiation schools are scheduled to start on the 23rd of June 2017 and end on the 15 of July 2017.

MEC for CoGHSTA Mme Makoma Makhurupetje and Limpopo House of Traditional Leaders call upon parents to verify the legitimacy of initiation schools they intend to send their children to with their respective Traditional Authorities. To people who want to take chances of running initiation schools without permits, we say be prepared to incur the full might of the law. There will be zero tolerance to law breakers and they will be brought to book. Let this ancient practice achieve the cultural objectives it was meant to without anyone giving it a bad name. This is not a venture to make money. Attending an initiation school should continue to be a respected tradition among our communities. Deaths of young people who are destined to be future leaders is terrible, worse when it happens in hands of people who are custodians of this ancient institution.

DON'TS FOR INITIATION SCHOOLS:

- No person shall hold an initiation school without a valid permit issued to him/her in terms of Section 2 (1) of the Northern Province Circumcision Schools Act No. 6 of 1996.
- No traditional surgeon or any other person is allowed to perform rituals in an initiation school without a certificate of fitness issued for that purpose by a registered medical practitioner authorized by the Premier or authorized officer to do so in terms of Section 3 (1) of Initiation Schools Regulations of 2003.

- No traditional nurse or any other person is allowed to look after initiates in an initiation school without a certificate of attendance of training referred to in regulation 5, provided that the prohibition shall become effective on the day immediately after the conclusion of the training concerned in terms on Section 4(1) of Initiation Schools Regulations of 2003.
- No person below the age of twelve can be admitted to an initiation school in terms of Section 7(1) of Initiation Schools Regulations of 2003.
- No initiate shall be admitted to an initiation school more than five days after the commencement of the school in terms of Section 7(3) of Initiation Schools Regulations of 2003.
- No person is allowed to abduct another for the purpose of taking the abducted person to an initiation school in terms of Section 9(1) of Initiation Schools Regulations of 2003.

In an effort to prevent the unnecessary loss of young lives, the Department requests communities to send their children to the approved initiation schools listed below:
