MEDIA INVITE

CoGHSTA on a continuous quest to provide shelter for the needy.

The MEC for Co-operative, Governance, Human Settlements and Traditional Affairs (CoGHSTA), Mr Jerry Ndou will be handing over houses to two previously disadvantaged families at Tshikuwi and Mutititi Villages in the Makhado Municipality.

Samson Makhuthe, a 39 year-old visually impaired man from Tshikuwi and a single mother, Nthabiseng Mashula (39) from Mutititi will each be officially moving into to their newly built homes. The Makhuthe house was donated by NHBRC's Innovative Building Technology as part of the Institution's responsibility and mandate to promote and raise awareness about IBTs in South Africa.

Both these families lived in dilapidated houses for years before being afforded proper housing by the Department and NHBRC which they can be proud of. The handing over of houses will be followed by an Imbizo.

All media houses are invited to cover the event which is scheduled as follows:

Time: 09:00

Venue: Tshikuwi and Mutititi Villages, Makhado Local Municipality

Date: Thursday, 11 April 2019
