Voting stations throughout South Africa opened their doors at 8am to 17h00 on Saturday 10 March to Sunday 11 March 2018. This was National IEC Voters Registration Campaigning for eligible voters who were to check and confirm their names and addresses on the voter registration roll. The general voter registration is aimed at preparing South African voters which is forthcoming in 2019 National Elections.

Amid to the campaign, MEC for Coghsta Mr. Jerry Ndou encouraged voters to check and to register during this open window. "The voters roll is a fundamental safeguard for free and fair elections. It is an instrument for facilitating electoral participation, which is placed at the disposal of the very ruling political party for campaign purposes. It serves a functional purpose as a planning tool for accurate
